

Dear sport friends,

We are very pleased with your participation at the event, during which the final race of the European Cup of Handicapped Cyclists, the final race of the Czech Youth Cup and the race of Elite Category – Evzen Cihlar Memorial will take place.

Considering that it will be a very organizationally demanding event, when the road traffic will be closed for the whole area of Strahov during the weekend, we are sending you the following information, which we would like you to pay attention to:

- THE ACCESS ROAD TO THE RACE AREA – please respect that the whole race circuit and the access roads **from Prague 5 – Smichov will be closed from 8:30 till 18:00** during both race days!!!

The access road (see the map) is from Prague 6 – Brevnov. Prefer this way please – Belohorska Street, then Chodecka Street (under the viaduct). Or Za Strahovem Street and Nad Zaverkou Street (you may wait because it crosses the circuit).

From the part of Smichov, use the Strahov tunnel please and then continue on Pod Kralovkou Street and you will get to the above mentioned streets.
